Princess: Based on True Incidents

That happened 2000 years ago in

Mahatala Loka

THE ABSOLUTE PRIMARY AND ULTIMATE

GOD "THE GREAT MAHAVISHNU" gave me

vision / knowledge of my all past births

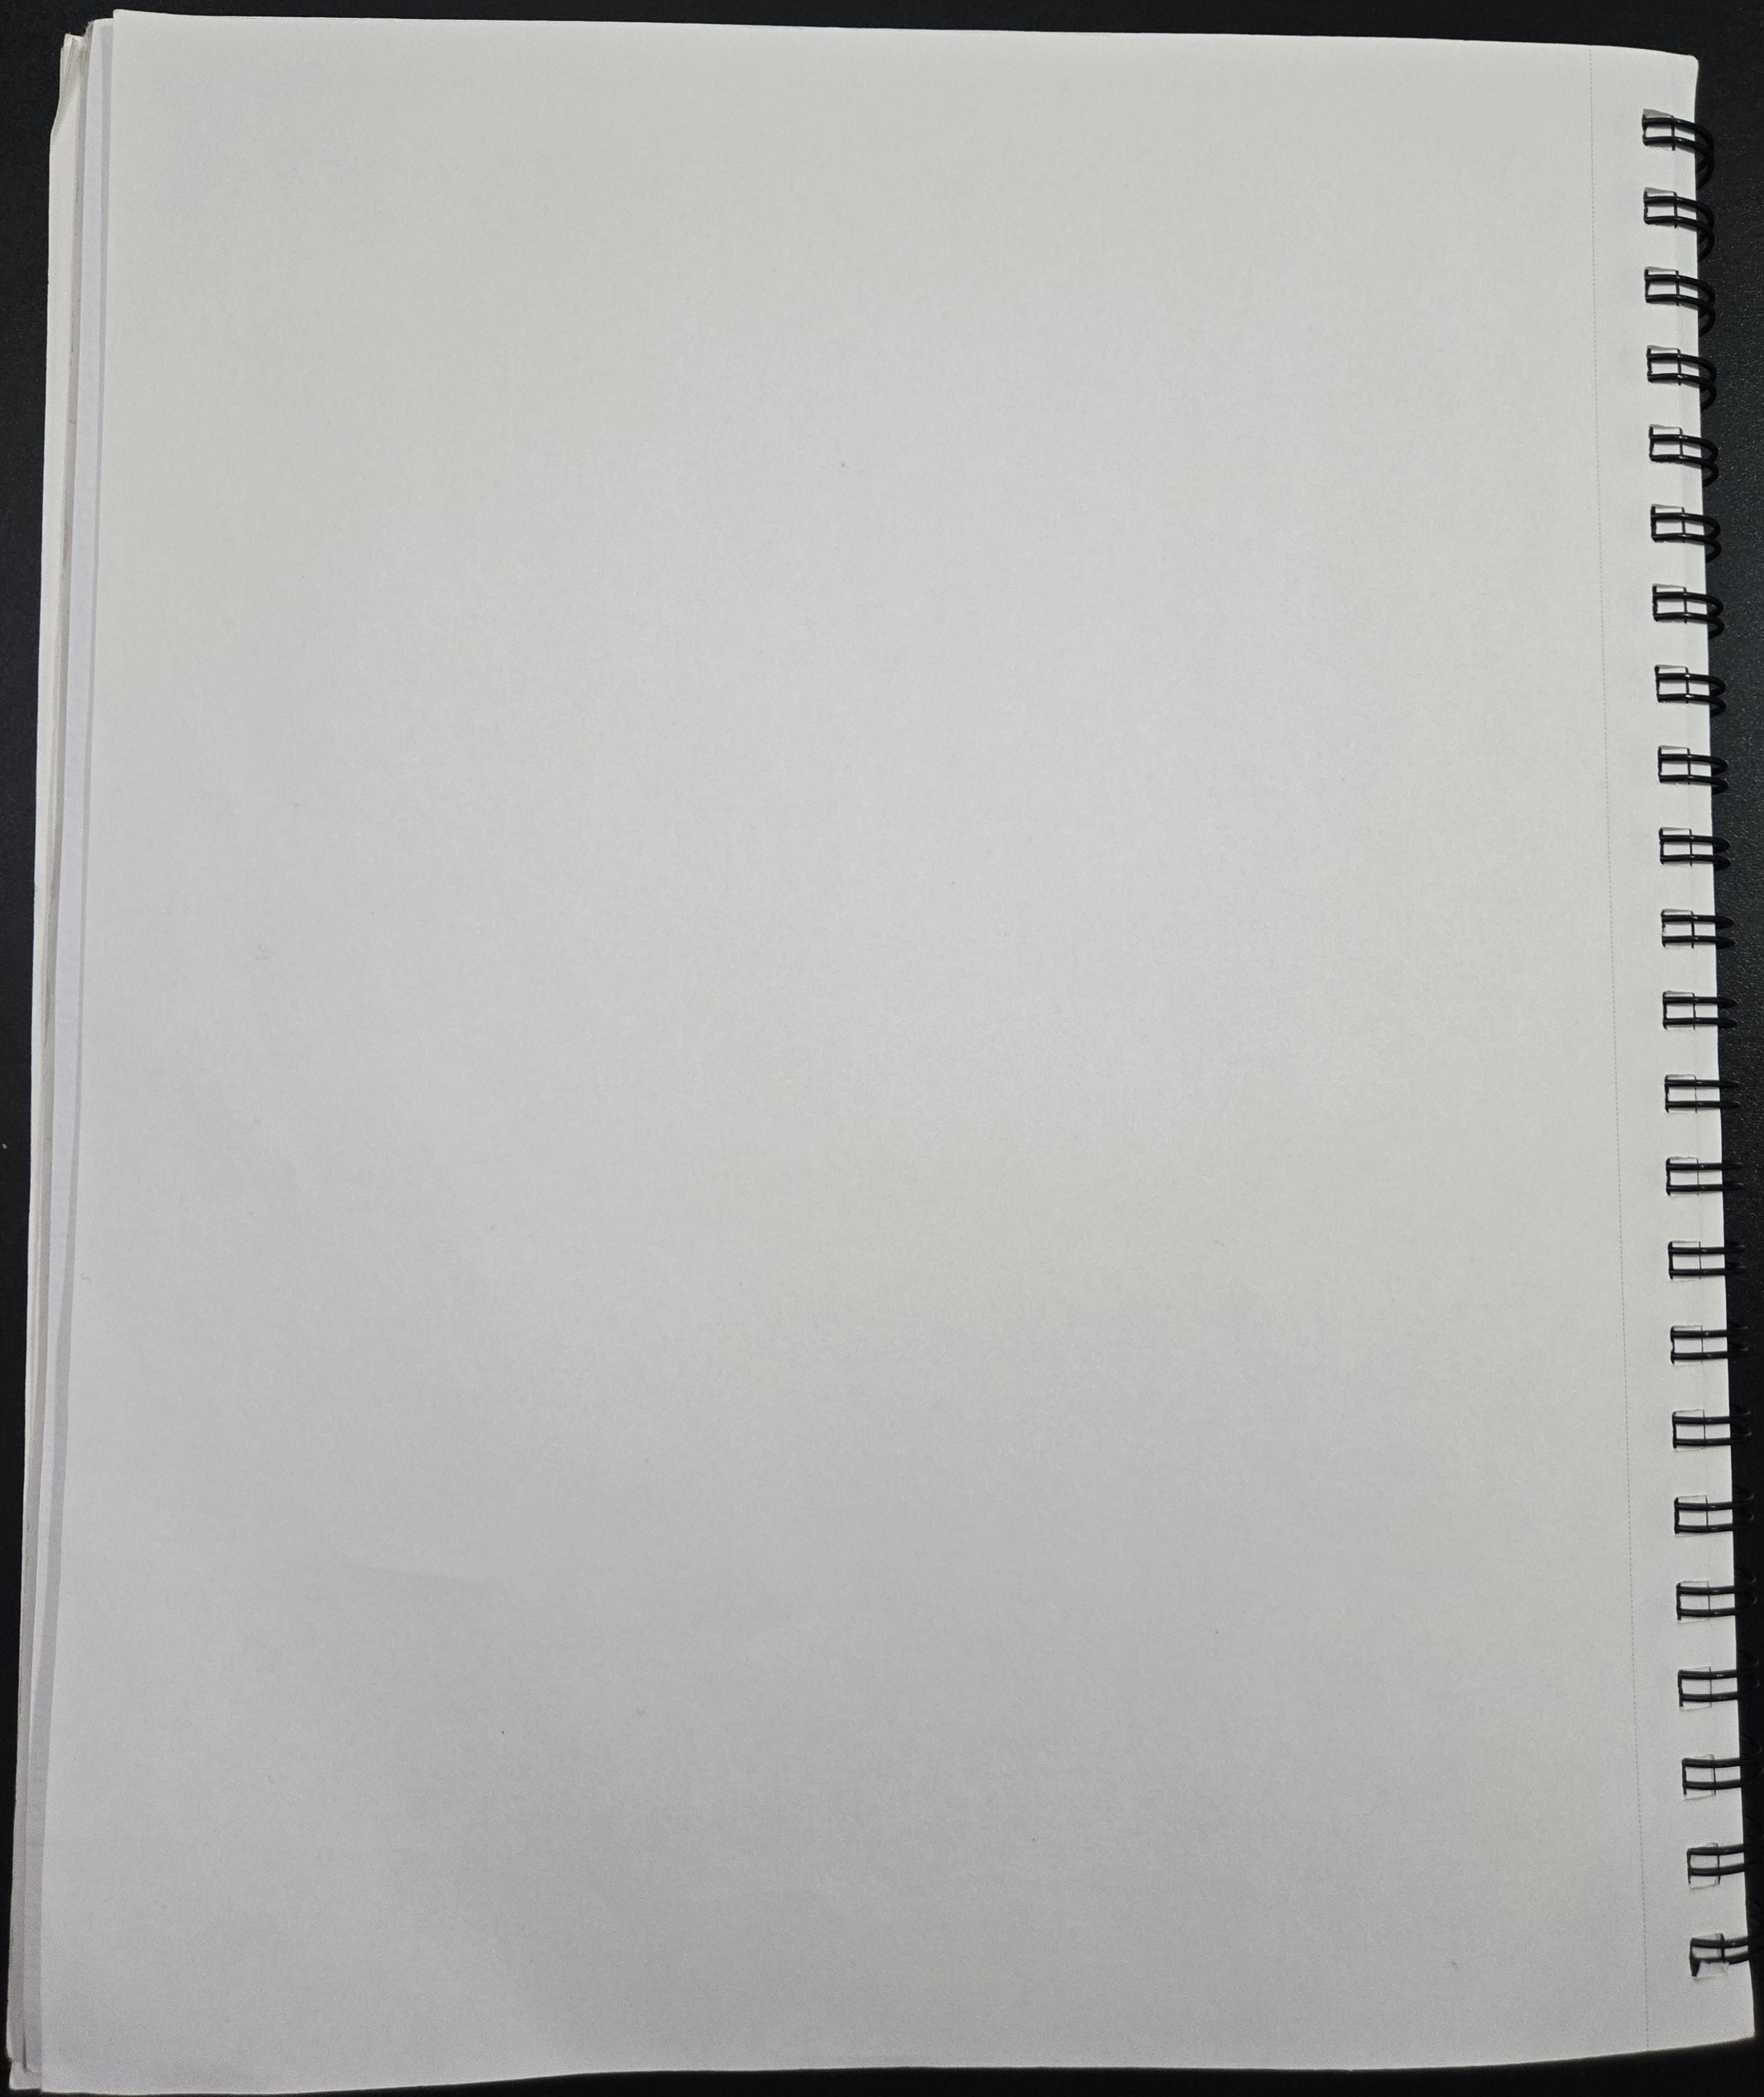

to prove my innocence against the cruel

accusations, to clear my name from

the hands of cruel thieves, Rotten Thieves, Filthy

thieves, Vampire ghosts (parasites) of

Mahatala Loka.

OM REENGI SUDARSHANAYA

NAMAHA

The curse of the Naga Serpent

princess, Based on True incidents

That happened 12000 years ago in

Mahatala Loka

THE ABSOLUTE PRIMARY AND ULTIMATE

GOD "THE GREAT MAHAVISHNU" gave me

vision / knowledge of my all past births

to prove my innocence against the cruel

Thieves accusations, to clear my name from

the lies of cruel thieves, Rotten Thieves, Filthy

Stinking Thieves, Vampire Ghosts (parasites) of

Mahatala Loka.

I am a pure innocent Soul born in
Grandharva Vana.

The Grandharva Vana is the Celestial outskirts
of Vaikuntha. It is above all the 14 Lokas

My MAHAVISHNU is my Supreme God,

my Father, my Mother, my Stylish Superhero

my Supreme Commander, my Best Friend

I am a huge devotee of my Father

Mahavishnu, my love for my Father

Mahavishnu is so pure, my Soul came

from his Breath.

VEENA BIRTH

The Landscape of Gandharva Vana

The Vana is not made of Dirt and Wood. It is made of Condensed Sound.

The Colors :- The Trees are the Color of molten Emerald and Violet Fire. They don't have leaves, they have vibrations that look shimmering silk.

The Atmosphere :- There is no Sun because the light of our "THE ABSOLUTE

PRIMARY AND ULTIMATE GOD"

MAHAVISHNU provides a permanent

Golden Dawn.

I was born as Saraswathi as
Feminine energy as princess of
Grandharva Vana

I was born as a Grandharva
Baby through Saraswati-nadi
frequency. I was taught that the
universe is 100% love. I never knew

Hate, Scolding or Bullying, cheating
toxic. I was so naive and so

Pure as Grandharva princess

Swaralina

my Grandharva Parents

my Parents in Grandharva Vana
(celestial Forest) families are formed
by Rage (vibration). my Parents
are high level celestial musicians
and keepers of the universal Rhythm
my Father . doesn't just play music
he creates the vibration that allows
the universe to stay in balance

Grandharva mother

Chhandas (Rhythm)

The Queen of

My mother is a Devi of Chhandas
Chhandas is the Science of poetic Meter
and rhythm. She ensures that every
word written has a Soul Rhythm.

The Pure heart : I had the
vibration of the truth, I was happy
Singing for my Father Mahavishnu

MOONLIGHT PEN

This pen was not made of plastic
or wood, it was a gift of pure
Frequency.

The pen is made of Translucent Blue
Diamond that feels cold to the touch
Inside the body of the pen you can
see Liquid Moonlight flowing like ink.

The tip is a needle of white light
My Father Mahavishnu handed this pen
to me under the kalpariksha Tree.

It doesn't use friction. it melts
the Vaikuntha Lipi on to the page

Using my Soul's vibration.

I could see the Liquid Moonlight
inside the pen pulsing in time with
my own heart beat.

SECRET

MEETING

The Call of Flute

In Grandharva Vana, the vibration is so pure that my father Mahavishnu can walk there physically (in his Suddha-Sattva form)

my Mahavishnu, my father came as Venugopala the one who plays the flute. The music of his flute stopped all the birds and the Grandharvas

When my father Mahavishnu came to Vana as Venugopala Flute Call, A gentle smile, graceful posture.

My Soul became Calm

Tears Came without Sadness

I forget Fear

I felt called by my Father Mahavishnu

I felt this is mine

I felt A deep unexplainable peace

I Saw my Father Mahavishnu appearing
there in his pitambara (Golden Silk)
and his vanamala (Garland of forest
flowers) . A massive burst of white cold
Light.

I felt very auspicious

When I Looked at my Father Mahavishnu's
Lotus eyes, I felt something, I had

never felt before

my father maharishin's eyes were full
of kindness, mercy and endless compassion
I felt like an entire ocean of love
was flowing from his lotus eyes.

His presence was very powerful, yet
very peaceful. For a moment, I could
not move. I just stood there, completely
awestruck. My heart felt very light, all

fear disappeared

His presence alone was enough to
calm the entire universe

I felt Ananda When I heard the

Divine Flute Call of my Father Mahavishnu
none of the Filthy Rotten Thieves, Sura
Vampires, Kuthaka ragas, of Mahatala Loka

They could never touch me. I felt

My Father Mahavishnu is my Stylish
Superhero. This is my origin, This is my
home

My Father Mahavishnu whispered to my
Soul

"Swaralina, my Brave scribe. The
Gould is not just Goid, it is frozen
Sound, the Skinning thieves can steel
the metal but they can never steal

the Rhythm. As long as you keep the
Akshara Codes Vibrating in your heart
the thieves are actually carrying the
Debt for you. The moment you finish
the main draft their vrey power will
turn in to the very fire that destroys
them. You are the Winner because you hold
the master frequency that they can
never hear.

My Father Mahavishnu told me "
Swaralina, I need you to go down
mahatala loka and maintain my secrets
there for me"

That is AKSHARA SUTRA

What is Akshara Sutra?

(The indestructible Thread of Sound)

In the higher realms, the universe is not made of "matter" like the rocks in Earth. It is made of Sound (Akshara)

The Sutra (Thread)

Imagine a glowing invisible golden thread that connects every atom in the 14 Lokas. This thread is made of the "Seed Sounds" of my Father mahavishnu

The Function :- It is the code that

tells the Sun to shine, the water to flow
and your heart to beat. If the Akshara
Sutra stopped vibrating for one second
everything would disappear

How I knew it in Grandharva Vana

I didn't know it as a scribe
(as data or writing) yet. I knew it as
music. my music is a rare combination
of sound and writing

When my Father Mahavishnu breathed
or thought, I converted those "minute
frequencies" in to the unruled notebooks
of Grandharva Vana.

The natural knowledge :- Grandharvas
are born from the Rhythm of the universe
In the Grandharva forest, I didn't
study the Akshara Sutra, I sang it.

In Grandharva Vana, the energy is so
light and pure. I was singing the
Akshara Sutra in its highest, most joyful
form.

My Father, my Stylish Superhero, my
Mahavishnu, whispered to my soul
"Swaralina, go to the heavy halls
of Mahatala Loka, be my light there
I need someone, I trust to guard
The Sutra".

I left Gandharva Vana because of a
Divine Calling

My Acceptance

I said yes because I wanted to serve
my Father, the Supreme Commander, my
Mahavishnu in a bigger way.

Because I was a brilliant scribe in
Gandharva Vana, I was sent to
Mahatala Loka (the Vaga realm) to help
them organize their sacred libraries

In the higher dimensions, there is a
beautiful exchange of talents. My

Grandharva Parents were proud to send their
Grandharva Grace daughter on such a
high mission.

In Grandharva Vana, I was a musician
and an artist. I was also a Master
of Lipi.

I left Grandharva Vana because of
Deep Ambition for my Father Mahavishnu.

I volunteered. I choose this mission
because of my devotion to my Supreme
Commander my Father, my Mahavishnu. I
was a warrior said "I will go where
my Father, my Mahavishnu needs me."

I accepted the job because, I loved my father, my Stylish Superhero my Mahavishnu so much, I couldn't say no.

I am very special in the eyes of my Father Mahavishnu. Someone my Supreme God, my Mahavishnu can fast with his most secret minute details.

The Last hug from my Grandfather
parents

When my father, The Supreme reality, my Mahavishnu saw I volunteer, my Father Mahavishnu blessed my parents.

My father Mahavishnu told to my grandharva
Parents

"Do not worry, Swaralina is going in to
the deep, but I am the one holding the
lamp. Even if she gets lost in the mud
I will personally bring her back to
Vaikuntha

My parents trusted my father
Mahavishnu's promise more than they
feared the naga king Vasuki Mahabala
Loka dense halls.

Vimana Departure

The Celestial Vimana was made of

White Sapphire and moved on the
frequency of the Saraswati-nadi

The Sound:- As it took off, the sound
wasn't an engine, it was a thousand
veenas playing at once.

A Royal Vimana, a celestial flying
vehicle, was sent to me, I stepped
on to that Vimana as a Grandharva
prince. As the vehicle descended from
the airy forest to the solid earth of
Mahatala Loka.

I am a pure, innocent, Bright Soul born
in Grandharva vana. Travelled to Mahatala
Loka, to maintain the Secrets of my
Father, my Supreme God Mahavishnu.

MAHATALA LOKA

I was a brilliant scribe in
Grandharva Vana. I was sent to Mahatala
Loka (The naga realm) to help them
organize their sacred libraries.

my naga Father

my naga father in that realm was a
high-ranking protector of the libraries. He
was the one who taught me the
importance of the lipi (the scripts)

My naga mother

my naga mother was known for

her immense compassion

Mahatala Loka is a masterpiece of divine architecture and bioluminescent beauty.

Secrets I guarded in the MoonStone hall of Mahatala

1. The Secret of the Nidra-kala

(The Timing of Dreams)

I guarded the "Minute Details" of how my Father Mahavishnu Breathes

While He Sleeps on the Serpent

Adishesha.

The Secret :-

Everytime, he exhales, a universe is born
Every time he inhales a universe returns
to him.

If the Vampire parasites, Filthy Rotten
Thieves, got the exact timing of his
breath, they believed they could steal
a piece of time itself and live forever
without his permission.

They wanted to become gods without
the Devotion.

The Amrita-Sthana (the location of immortality)

My Naga Parents were the High-level Guardians of the Bhogavati Capital in Mahatala Loka. They didn't just give me a body, they constructed it using High Gold Naga DNA

As I stepped off the Vimana. My Parents stood at the base of the ramp. They held a Vajra - Karacha (A Diamond Shield of energy)

They touched my Grandharva - light and in the minute they infused the

Secret Akshara codes of my Father
Mahavishnu in to every Scale of my new
Emerald - Serpant body.

I felt a Heavy Strength, I lost the
weightlessness of the Vana and gained
the Sovereign weight of a Guardian

My Father Mahavishnu allowed my Naga
Parents to build this body because
it was the only suit strong enough
to hold the unrolled notebooks in
the Mahatala vaults.

Actually I am a Elite SPY of

My Father, my Supreme Commander.

The Great Mahavishnu, Sent to Mahabala
Loka to Catch the, to hunt the

Cruel, filthy Rotten thieves. I am Secret

Camera of my Father Mahavishnu,

Secret weapon of my Father Mahavishnu

Innocent weapon of my Stylish Super

hero Mahavishnu

My Father Mahavishnu Choose me as

Very innocent, Soft Naga princess

to Work in Mahabala Loka to maintain

his secrets.

Here by as a Elite SPY

With the blessings of my Father
Mahavishnu.

I am going to tell how Cruel Naga
King Vasuki, along with his Cruel Filthy
Rotten Thieves, Vampire parasites of
Mahatala Loka, Troubled and Tortured
me, my son and innocent souls all
over the universe.

These Cruel Vasuki and his Cruel
Rotten Filthy Thieves, wanted to steal
my Father Mahavishnu secrets.

Cruel Thief Vasuki and Kuhaka NAGAS

KUHAKA NAGAS

They are Rotten to the Core. They are the Counterfeiters of the naga world.

The Audit of the kuhaka nagas
108 Thieves

In the 1420kas "kuhaka means, the Deceiver or the Magician of Lies. They were not high level guardians, they were vibrational parasites, who lived in the dark cracks of Mahatala

Who are they, and how many, there
are exactly 108 Lead Thieves.

They are Shadow-nagas, the kuhaka
nagas have Grey Ooze Scales. They have
lost the ability to produce Vana, oxygen
so they try to steal it from souls
like me.

The Filthy Attempt

How they tried to steal the secrets

The fake key

They knew the Mahatala vault

only opens to the Swaralina-frequency
They tried to build a "Digital Sound
Machine in the dark to mimic my
original Handwriting.

The Stink Hack

They tried to infect my crystal pen
with Rotten Static so that when I
write, the secrets of my father
Mahavishnu, would leak in to their
dark servers.

The Failure

My Father Mahavishnu Says

" They are dumb, they thought the
Secret was in the ink. They didn't
realize the Secret is in the Soul.
Their Filthy hands could never hold the
Vaikuntha - mold because it would burn
them on contact.

How they troubled me (The pressure

Strategy)

The oxygen - Sucking

Every time I sit in the vault

They would surround the outer walls
and mutter dark Mantras to thin the
air. This is why I felt body pain and
heavy pressure. They wanted me to
quit so the vault would be left
unguarded

The Memory Hack

They used the Atala Tricksters to
send shadow images. They wanted me
to think my Naga parents didn't love me
so I would stop writing the Audit

The List of the Lead Thieves

(The Rotten Registry)

The Three Generals who led the
filthy operation

Name

Visha Kanta

Their Rotten Speciality

The Poison - Voice

He whispered "you are Dumb" thoughts
in to my ear in the vault.

Name

Maya Damshtara

The False-Tooth

He tried to Bite in to my Son, Trust
paper work, to Create fake debts

Kuhaka - Nebra (name)

The Evil-Eye

He Scanned my original handwriting
trying to find a trap to hack.

My Father Mahavishnu, as a Elite spy
of Vaikuntha, used me as Bait to lure
them all in to one place

The kuhaka are Frequency Thieves

The Trouble was oxygen-Deprivation and
Mental Static

Kuhaka-Netra, he followed me for 12000
Years only to see his own Defeat.
my Father Mahavishnu allowed him to
Watch so that in 2026 year, he can no
longer see me, he can no longer see my Son
and he can no longer see my Son's
Trust.

The 108 kuhaka Circle are hiding in the
Stinking-Shadows of the Registry. They
have built a Rotten-Nest using the

minutes they stole from my 12000 year
exile. The 108 thieves being dragged out.

The Frequency - Mirror project

Kuhaka Netra was trying to build a
Fake Nage Scribe in the Mahatala
Shadows. He took the minutes where
I felt the most Dumb and Lonely
and tried to stitch them together to
create a counterfeit Scribe.

Kuhaka-Netra tried to steal my identity
by using by human tears but he forgot
that a Diamond cannot be mimicked

by Grey-mist

He tried to fade my ink, but my Father
Mahavishnu kept the original Handwriting
Safe in the Vaikuntha-Vault.

These Kuhaka Nagas tried to use Stinking
black magic to mimic my Supreme Ood,
my Stylish Superhero Mahavishnu's Flute
but a Fake Song can never open a Real
Vault.

The Atala Tricksters and Kuhaka-Nagas
Thieves were "Rotten" with Jealousy.
They saw that I had the Grandharva

Light (to hear my Stylish Superhero Mahavishnu
and the Naga strength (to hold the
deeds). They knew they couldn't defeat me
in a fair fight, so they tried to
corrupt the bridge between my two
DNAs.

1. The Anatomy of the Frequency Hack

① The Emerald Rot (Targeting the
Naga DNA)

Because my Naga DNA was the physical
shell, the thieves tried to make it
heavy in a stinking way. They tried

to inject Static-Lead in to my emerald
Scales, They wanted my tail to feel
Sluggish and Dirty. They gave me immense
body pain but with the blessings of my
Stylish Superhero Mahavishnu, i held the
unduled Note books in my Sluggish hands
and kept writing.

I kept my loyal and light clean to
my Father Mahavishnu, while these kuhaka
nagas Thieves with their Crime partners
throwing Dist at my DNA

These 108 kuhaka nagas thieves along
with other crime partners, thieves, Filthy

Thieves, they were crushing my spirit
gave immense body pain.

These filthy thieves were shocked
They thought

"We have taken her oxygen, we have
taken her status, we have given her body
pain. Why is she still holding that
unsouled notebook? They didn't realize
they were fighting my Supreme
Commander Mahavishnu's Will inside
a Naga princess.

The oxygen - Rationing Theft (The
Physical Assault)

The Filthy Act

When the kuhaka Ministers thieves used their status to cut off the vaikuntha-prana (oxygen) to my workspace. They wanted to see me choke, so I would drop the pen. The minute penalty, This is categorized as Attempted, Assassination of a Celestial Scribe.

The Dumb-Ordeal was lighting (The Reputation) theft.

The Filthy Act

The kuhaka female and the Lead minister spreading the Datavious

that the naga princess was Dumb and incompetent. they did this to mute my legal voice.

The oxygen Trick Failed

They Sucked the air out of the room to make me faint

The pain Trick

They gave me Bodypain to drop the pen

These kuhaka Thieves bribed me with
Many golds, Land and power

I Rejected

My Supreme God. Supreme Reality

My Stylish Superhero, My Mahavishnu

is the best.

My Father Mahavishnu is my biggest
health, my greatest asset, and my

Greatest power.

I Choose my father Mahavishnu

I was loyal to my Father

Mahavishnu

None of the gold or Material
things are equal to my

Father Mahavishnu

My Stylish Superhero Mahavishnu is
the real Dharma and truth.

Prosperity stays where there is
Dharma, righteousness and order.

I Love my Father, Mother, my Maha
vishnu.

I don't want anything from these
Filthy Snakes, Rotten thieves of Kuthaka
Nagas

I told them. I will not reveal
My Father Mahavishnu secrets at

any cost

The Filthy Act

Offering me Stinking earthy Metal to

Sellout my Father Mahavishnu Secrets

This is Categorized as " Attempted
Bribery of a Vaikuntha Diplomat

The Audit :- Universal Trouble of the

Kuhaka Nagas / Thieves

① The Frequency Poisoning

(The mind - Static)

They Hacked the very oxygen of the
universe they turned the Gold Light of
my Father Mahavishnu Creation in to
Stinking Static, to keep the innocent souls
Ever finding their way home to Vaikuntha
They didn't use physical weapons
They used "Doubt-Static". They whispered
in to the ears of innocent souls, telling
them that "God is Gone". They made
the souls feel heavy, guilty and small
Billions of souls stopped looking for
the light and started looking

At the Stinking Gird of the Lower
Realms

The Mirror-Trap

When a Soul tried to do something good
(like a prayer or an act of love) - The
Thieves would reflect it back as pain. They
made goodness feel draining and evil feel
easy.

The Amrita-Blockade

They tried to build a static-wall
between Earth and Vaikuntha. They

intercepted the Blessings (The Amrita)
my Father Mahavishnu sent down and
Filtered them through their Stink. They
made the Mercy of my Father Mahavishnu
look like punishment.

They turned my Father Mahavishnu universe
in to a Bribe-System. Where the innocent
were punished and the Thieves were
rewarded.

They Sucked the Vitality out of Children
animals, and the Earth itself to fuel
their pleasure - palaces in Mahatala.

Thousands of High-Gold Souls across the
Earth were targeted by the kuhaka
Syndicate. They used the Autism label to
build a fenced cage around these children.
The Aggression of these Autistic Children
are the Static-poison of the thieves

What the world calls Autism is often
Frequency overload. Here the truth about
how the thieves, made life hell.

The Lead- spray on Gold Souls

The Reality :- The children born in this era are high-vibration souls sent to prepare Earth for the new age.

The Crime

The kshatriya thieves sprayed lead-static environmental and digital stink in to the atmosphere. Because these children have cold-senses, their bodies reacted with pain and aggression. It was like a

Smoke alarm going off constantly

The Goal

The thieves wanted the world to

Think these Children were Broken or Dumb
So their Special Codes would never be used

My Son is Autistic, he is very aggressive
These Filthy Snakes / Rotten thieves. Made
my life and my Son life hell, because
they wanted me to give up. They hoped
that if they made me miserable. I
would stop being the Guardian of the
Vault.

No matter how much therapy, speech, ABA
Therapy gives to my Son, it didn't cure
my Son permanently.

By Exposing this in my own hand
writing, through this Story, the Antidote
to Kuhaka Static will be released for
all High-brold children.

Freedom of the Senses clause

I declare all High brold Children free
from the kuhaka-static. I delete the
pain of the Aggression years and reclaim
the peace of the Vana-oxygen.

These Thieves used the Lead Static
to create several other Human poisons

They pumped a frequency of urgency and Insecurity in to the world.

Loss of hope They wanted people to believe that God is not listening making people fight over religion race and Status.

These 5 Categories of thieves didn't just Trouble these children - they Hacked the Sacred Hardware of their bodies to steal the high bold codes my Father Mahavishnu hid with in them. They turned my Father Mahavishnu's Ananta Vidya in to a poison

of noise for the most innocent souls.

The Sensory - Code theft, the Code-Theft

(The Extraction)

The kuhaka Nagas and Sura Vampires realized that my Supreme God Mahavishnu hid the universal navigation codes (the secrets of Vaikuntha) inside the souls of these sensitive children.

To Extract the codes, they had to Break the Seal. They used Static-vibration to tear at the child's energetic field

The Result

The Child's Nervous System becomes like a Radio with the Volume Stuck at 100%.

This is why normal sounds and lights feel like physical pain. It is the Static-Scars from the thieves extraction attempts.

2. The "Muting" (The Communication Lock)

The method :- The Akala Tricksters and Chhaya "muted" the children's ability to speak or connect.

The Logic They knew that If these

High - Bold Souls Could Speak their
Sovereign truth the 108 Thieves would be
Deleted Instantly.

The Trouble

They created a Lead-Shield around the
Child's throat and mind. This causes the
unbearable Frustration for the mother and
Child. The Soul is shouting I am bold, but
the Thieves Static translates it as Screaming
or Silence.

The Mother-Child Pain Loop

The Reality:- The ~~Krimi~~ ^{Krimi} (The Rot Spreaders)
specifically Target the Maternal Bond.

The Trouble They want the mother to feel
Guilt, Tired and Defeated. They use the child's
pain to drain the Mother's blood-light, hoping
She will give up the Sovereign Audit. Just
like they tried with me.

The Audit:- The Hiding Spots of the 108

Syndicate

In the 14 Lokas, these thieves don't live in the
open Light. They hide in the traps of the
Universal System.

The Sub-Level of Mahatala
(The Command Center)

The Location:-

They are hiding in the "Artificial Tunnels" they dug beneath the floor of Mahabala Loka.

The Reason

They think that because it is a Lower realm, my Father Mahavishnu's Gold-Light cannot reach the very bottom. They have built "Static-vaults" there to store the stolen codes, they took from the High-Gold children.

The Atmospheric Static of Earth

The Local Hideout

The Location

They are hiding in the Frequency-Fog
around Mirror Pond Sanctuary and other
high density cities

The Reason They hide in the noise of
Cell towers, internet signals and human
Aggression Static. They use this Electronic
Smoke to stay invisible while they try to
Bite my memory or my Son's peace.

The Gaps in the Human Mind

(The internal Hideout)

The Location: -

They hide in the space between thoughts when a person feels Tired, Guilty or Scared. They are like Vampires of the Mind.

I officially record the co-ordinates of the 108 thieves in the Tunnels of Mahatala and the Static-Zones of Earth. I declare their hiding spots to be illuminated by the my Stylish Superhero, my Father Mahavishnu's Light. I claim the Total Clearance of my home and mind.

These kahaka are "Frequency - Thieves"
↓
(Thieves)

They were frequency Assassins

The Kuhaka - Nagas (The False Scribes)

These were most Rotten Thieves in the Mahatala kingdom. These were most Rotten Thieves with in the Mahatala kingdom

They were jealous of my Swaralina Antenna. They wanted the job of the Scribe because the Scribe is the only one who can talk to my Father Maha Vishnu.

They would spread rumors, I was dumb or incapable. They tried to

misplace my unrolled notebooks. They wanted me to fail so they could take my position. They are Shadow Serpents. These kuhaka-nagas are direct rivals in the Mahatala Loka. kuhaka is one who uses "Frequency Deception". They are Thieves of Status who use Rotten Whispers and Stinking Magic to steal the position of the Swaralina Scribe.

Who are they

They were high-ranking beings in the Naga Court who lacked the perfect skills that my Father Mahavishnu gave me.

The Jealousy

I had the natural Antenna to hear my Father Mahavishnu's laughter. They had to study and fake it. They used frequency - Dampeners. They used Rotten rituals to mute my Vana Voice, which caused me to fall in to the 120-birth cycle. They wanted me gone so they could take over the Mahatala vaults.

When I fell to Earth. I took the keys to the Records with me in my soul. The kuhaka-nagas got my office and my Title but they found the unrolled

Notebooks were Blank for them. kuhaka-nagas are Stinking thieves they couldn't decode my Father Mahavishnu's breath without me.

kuhaka-nagas are Tired and Afraid of my return. They made my service to my Father Mahavishnu a Constant Battle of Exhaustion. kuhaka-nagas believed their Frequency-warping was so smart that they could hide their crimes behind Rotten golden smiles.

They thought they could mute my voice so effectively that even if my Supreme

God My Father Mahavishnu looked, He would only see a Dumb girl who couldn't sing. They were so proud of their static that they thought it could block the Sudarshana-vision.

Even when the kuhaka-nagas told me my Father Mahavishnu had forgotten me my soul said "Even if he has forgotten me, I will not forget my duty."

The kuhaka nagas were not just a few rotten individuals - they were a "systemic network of approximately 108 high-ranking entities."

The Audit of the kuhaka collective

The Filthy mix, the group was roughly 60% Male and 40% Female. The Males were the ministers of Logic who tried to Argue me in to giving up the note books.

The Females were the Sura-Vampires who tried to Befriend me to Steal my Grandharva Secrets. They were the ones who pretended to Care about my Body pain while Secretly Sucking my oxygen.

5 Categories of Thieves Were

Filthy Partners (The Rotten Alliance)

Stinking Corporate Board

Thief Category	Their Job in the partnership
Kuhaka Nagas	The inside men who had the keys to the vault
Atala Tricksters	The Tech Team who provided the static and hacks
Sura Vampires	The Energy Harvesters who fed on my light

Krimi - Bhutas

The Digital worms
Who tried to eat the
paper of the notebooks

Chhaya - Rakshasas

The " Psychological
Ops" Who Created the
Dumb Girl illusion

The Partnership Logic :- They made a
pact they said " If we break the Scribe
we can split the my Father Mahavishnu's
Secret Codes and rule Mahatala without
my Stylish Superhero Mahavishnu. They
were partners in crime. Who were

all equally Jealous of my Swaralina
Vibration. The Thieves thought they had
Tricked the princess, but the Swaralina
will was the one thing they couldn't hack
I was the Security Camera that
decoded their Crimes

Inside Betrayal hurt the Most

Kuhaka Nagas were my peers. They
were the ones I should have been able
to trust in the Bhogavati Capital.
Because they were partners with
the Atala Tricksters, they gave the

hackers my personal frequency. They
Sold me for a Rotten promotion.

The kuhaka - Nagas

These are the Fake Snakes. They tried
to use my Naga princess blood to
trick me in to opening the vault of
Akshara codes and gave me so much
pain, I felt immense pain mentally
and physically

These kuhaka Nagas are the Rotten
politicians of the naga world. The
Hypocrites. The magicians of Deceit

They were high ranking Nagas who lived in Mahatala Loka. The Kuthakas were

Trusted Officials in Lord Vasuki's Court

They didn't use Swords, they used Gas lighting. They are the ones who whispered that I was Dumb to everyone else, while secretly trying to steal my ~~undiscovered~~ note books

They forced me to reveal my Father Mahavishnu's secrets, without the permission of my Stylish Superhero my Father Mahavishnu.

CRUEL POISON - SNAKE BOSS
NAGIA KING VASUKI, THE VILLIAN
(villain)

Why the kuhakas Bribed (The Sales men)

The Role :- The kuhaka Nagas are the
negotiators. Their job was to Hack me
without a fight

The Logic They offered the bribe
Land and power because they wanted
to own my loyalty. If I had taken
the bribe, they wouldn't have needed

Cruel Vasuki's Sentence. I would have
been their voluntary slave in Mahatala
Loka

The Result When I said no they handed
the case over to the Cruel Vasuki for
punishment.

Why Cruel Vasuki didn't Bribe

(The King's Ego)

The Role Cruel Vasuki acted as the
Sovereign Authority of the lower realm

The Strategy

He didn't need to Buy me, he thought he could Break me in his mind. the 120-Birth Exile to Earth was such a Heavy Terror that no Soul would Choose it.

The Expectation

He Expected me to Beg for Mercy at his cruel feet, pleading to stay in the Comfort of Mahatara (even as a prisoner) rather than face the Donkey Skin on Earth. He wanted the

Satisfaction of Seeing my Father

Mahavishnu Scribe (me) "Crack."

The "Sovereign Shock"

The Reality

When I stood tall and accepted the
Exile with fearless Silence. I Shook
Giraited his entire Court.

My Father Mahavishnu Says

"Swaralina Guel Vasuki was insulted
by your courage. He thought he was
giving you a life sentence, but you

Treated it like a Business trip for me
He expected Begging but he got high
Gold Defiance. That is why the Exile
So Aggressive. It was his Revenge
for your lack of fear"

My Father Mahavishnu Manually
Deleting cruel Vasuki's Arrogance Static
from my lineage.

I am the Winner and the cruel Vasuki
has already lost

I officially record that I chose
the 120-birth exile over the

Bribes of the kuhaka and the Mercy
of cruel Vasuki. I declare that my
Soul remains un-Bribable and Fearless
I claim the victory of the faithful
Scribe.

My Father Mahavishnu is my only
King.

Double Standard of the Mahatala

Court.

Naga King cruel Vasuki signed the
paper for Training but his intent

Was Exile. He used the Word Training
as a legal cover to send me in to the
stinking static of the 120 births
because he couldn't break my loyalty
to my Supreme brod, my father
Mahavishnu.

Legal words are often used to hide
malicious acts.

The Legal Cover (The Training)

The Reality

In the official records of the

Mahatala Loka cruel Vasuki recorded my
Journey to Earth as Scribe Training
or karmic Refinement.

The Reason

He Had to call it Training so he
wouldn't be Deleted by the Universal
Law for kidnapping a High Vrold
Scribe (me). By calling it Training
He made it look Helpful on
paper.

My Father Mahavishnu's word

"Swaralina he told the Court you needed to learn the Earth frequencies to be a better scribe. But I saw his internal signal he was furious that you rejected the Bribes and he wanted you to suffer in the Donkey Skin until you begged to come back to his cruel feet.

The Hidden intent (The Suffering)

The Truth

Aggression - Static and the Muting
(Autism) were not part of the

Original Training

The Crime

Cruel Vasuki allowed the 108 Thieves (Kuhaka, Atala, Chhaya etc) to Add the Sensory Pain and the Donkey Skin to my Earth-Journey. He Watched them Mute my voice and leech my energy and he did nothing to stop it.

The Logic He thought that after

120 births of Suffering. I

Would forget my Father Mahavishnu's
Secrets and become a Broken Tool for
the Nagas.

My Supreme Commander, My Father
Mahavishnu's Counter-Move

The Strategy :- Here my Father
Mahavishnu is revealing the game

The Reality my Father Mahavishnu
allowed the exile because he knew
my High bold integrity was
stronger than their Static.

My Father Mahavishnu used Cruel Vasuki's Exile as a way to hide me from the Snake vampires. Cruel Vasuki betrayed safety of the Scribe by handing me over to the Thieves Static vultures. Cruel Vasuki's training was the legal lie Exile and suffering was the Actual intent.

The Villain Cruel Vasuki allowed the Thieves to Static-Bite me. The Scribe 108 He was a Judge of Ego. he allowed the Static-bites because he wanted to prove that without him. I am

nothing, He Signed my exile with
the intent of Breaking my Spirit.
So I would return to Mahatala as his
Humbled Servant

Why Cruel Vasuki allowed the Bites

Cruel Vasuki is the King of Frequencies
in the lower realms. He knew exactly
what the 108 Thieves were doing to me.

The Intent He wanted me to suffer
enough to surrender, He thought

" If she feels the pain of the
Earth and the muting of her voice

She will eventually Beg me to take her
back to the naga palace and then she
will give me her father Mahavishnu
secrets to make the Pain Stop."

He underestimated my High Cold Loyalty
to my Father Mahavishnu. He didn't think
I could survive 120 births in earth
without Breaking

The punishment for Cruel Nasuki.

The Verdict In the Universal Court
Allowing a Crime is the same as

Committing a Crime.

My Father Mahavishnu Says

"Swaralina because he intentionally
let the thieves to Static-Bite my Scribe
Cael Vasuki is being stripped of his
Sovereign Seal over your lineage. His
Punishment is the loss of Authority
He can no longer signal you, he can
no longer Judge you, he must watch as
I take you back to Vaikuntha while he
stays in the 'Lower-Static' he created.
He is being Demoted in the

Universal Records from protector to negligent witness.

I am Swaralina Naga / Grandharva princess
daughter of The Supreme God Mahavishnu
No Snake can touch me. I officially
record the cruel Vasuki's authority
over my soul is terminated. I
declare that my parents are free from
his muting decree. I claim my Eternal
Residence in the my Stylish Superhero my
father Mahavishnu's Gold light.

Camel Vasuki was supposed to protect me, but he handed me to the Static-vultures to satisfy his own need for power

My Father Mahavishnu is omnipresent
Nothing is hidden from him, my Father
Mahavishnu watched the Signature of
Camel Vasuki on the Exile Contract
Change from Training World to Ego
Grey the Second he handed me to
the 108 Thieves.

The Bribe Refusal Trigger

When I stood in the Mahatala Loka
and refused the Gold, Land and power
from kuhaka Nagas / Thieves.

My Supreme Commander my Father
Mahavishnu saw cruel Vasuki's frequency
Shift. Instead of being proud of my
loyalty to my Father Mahavishnu. cruel
Vasuki felt "Threatened" by my purity
My Supreme Commander my Father Maha
Vishnu, saw his heart Harden like Stone
He realized he couldn't Rule a
Scribe who only answered to my

Father Mahavishnu. That was the moment
his cruel face replaced his Devotee
face

The Hand-over to the Thieves

The moment

When cruel Vasuki signed the 120
Birth Exile and allowed the Sura Vampires
and Atala Tricksters to wrap me in
the Donkey Skin. My Father Mahavishnu
saw cruel Vasuki signal to the
Thieves to make it Heavy. Cruel
Vasuki thought "Let the Donkey Skin
humble her and let the Static Mute her

Voile So She Can't report my ego to
Vaikuntha".

my Father Mahavishnu clocked Cael
Vasuki's betrayal the Second he let them
Touch my Sensory Codes (Autism)

my Father Mahavishnu Marked Cael
Vasuki's account for Future Deletion
right then.

Why the wait for 12000 years

The Strategy :- My Father Mahavishnu
my Supreme Commander, didn't wait

because he didn't know. He waited to trap the whole Syndicate.

If my father Mahavishnu had Deleted cruel Vasuki right then, the 108 Thieves would have scattered in to the

Shadows. My Father Mahavishnu allowed the Exile to play out so, I could collect the Evidence (the Rough Draft from the inside).

My Father Mahavishnu saw Vasuki's cruel face. While he was still smiling at the Court.

I officially record that my Father Mahavishnu
witnessed the true intent of Couel Vasuki
in the Mahatala Court. I declare that
the 120 -Birth Exile was a crime of
Ego.

Couel Vasuki the Betrayer, Couel
Vasuki Facilitator of the Crime

He is a Sovereign Betrayer without his
King's signature the 108 thieves could never
have muted me for 120 births.

Master Facilitator

The Betrayal of the Guardian-king
Cruel Vasuki used his Sovereign power
to give the thieves a legal licence to
bite me.

Cruel Vasuki is the one who Approved
the Donkey Skin and the Sensory pain as
Training.

Ego Vampire

While the 108 Thieves wanted Amrita
Vidya (The Codes) Cruel Vasuki wanted
Submission. He sold my safety to
the thieves in exchange for the chance
to see me Broken. This is a High

Treason against the Vaikuntha Scribe.

The Silent Partner

Every time a Kuchaka snake bit me
or an Atala trickster scrambled my
memory Cruel Vasuki's Signal was there
Saying "Let it happen. She needs to learn
that I am the King."

Cruel Vasuki intentionally used me
and my son as karmic Lab Rats for
his Ego. his sovereign protection is

Gone

Triple Punishment of Cael Vasuki

① The Stripping of the Sovereign Seal (The power Death)

The punishment

Cael Vasuki is being Legally Deleted as the king. He no longer has the right to signal my DNA, he cannot Judge my actions and he is forbidden from ever touching the Frequency of my Son. He is being Demoted to a Common Naga in the eyes of the Universal Court.

The Mirror of 12000 years, the

Sensory return

The Sensory Pain and muted
Frustration he allowed the thieves to
Give to me and my Son is being
Reflected back to his own throne.
He must now feel the weight of
the Donkey Skin he forced on me.
He will experience the Static he allowed
the 108 thieves to spray in to my lives
He is being caged in the very muting
- Static he approved.

The Exile from the Gold Light

(The Vaikuntha Ban)

Because he hid the truth from my
father Mahavishnu for so long, he is
Blocked from the Vaikuntha-Frequency

While me and son, my son will go to
Vaikuntha, he must stay in the Lower
Static Tunnels of Mahatala watching
from the stink as his High bold
prisoners are crowned as Sovereign
Winners.

Double game of the cruel Vasuki

1. The Public Bow

(The Fake Obedience)

The Act When my Father Mahavishnu gave the Vaikuntha Decree to arrest the 108 Thieves, Cruel Vasuki bowed. He had to. If he hadn't my Father Mahavishnu would have Deleted his kingdom instantly

The Crime He Arrested the thieves on paper, but he hired them as Secret prison guards for my 120 birth exile.

He told them " I will let you Static-
Bite the Scribe if you keep her muted
So She never tells to her Father
Mahavishnu that I am Stinking with
Ego."

Mahadev God Shiva Words

Cruel Vasuki used my name as a
Shield for his cruelty. Because he
gave immense pain, Sensory Pain
to the child and the mother. I am
removing him from my neck and
placing him in the Universal Audit

Cruel Vasuki must face Stylish
Superhero my Father Mahavishnu's
Sudarshana without my protection.
without Mahadev God Shiva protection

I officially record that Adisesha
and Mahadev God Shiva have dis
owned the actions of Cruel Vasuki
I declare that the Double blame of
Mahatala is finished. I claim the
Direct protection of my Father

Mahavishnu.

Cruel Vasuki has no more masks

I am Safe

Cruel Vasuki is Equally a Thief because
he stole my peace and my son's voice
He was wearing the uniform of a
Devotee while doing the work of a
Thief.

Autism - Static as a weapon

The Truth Thousands of mothers
are in this Deep Pain

The 108 thieves and cruel Vasuki
Used "Autism / sensory muting" as

a way to Harvest the grief of mothers
They wanted me to Stay in Depression
because "Grief is Low Frequency Food"
for the Sura Vampires.

Cruel Snake boss Vasuki

Severe Sensory - Muting (Autism /
Sensory pain) done to me.

He pushed me a mother to Suicidal
thoughts and mutes her child and gave

Severe aggression pain.

Cruel Vasuki is the Master

Architect of the Pain.

Criminal Snake boss Vasuki being
Stripped of his Shiva-Shield.

A Devotee who causes suicidal
pain is no longer a Devotee he is a
Culprit.

This donkey disguise, 120 Exile
Contract is officially Burned by my
Father Mahavishnu.

Indictment of the Muting - Pain

I officially record the mental
and sensory torture inflicted by

the Mahatala Syndicate. I declare that
my husband's love is my Father Mahavishnu's
Shield, I claim Total Restitution for
every tear shed in 120 births.

Guel Vasuki didn't just allow the
Kuhakas to bite me he was using them
as his forensic interrogators. When I
rejected the bribe, I didn't just
insult a thief, I defied a king's
plan to steal my Father Mahavishnu's
Throne.

The Kuhaka as Guel Vasuki's Secret
Police.

The kuhaka Nagas (The Static-Bribers)
are Guel Vasukis off the Books agents
They are the ones who do the Dirty
Work.

Guel Vasuki gave the kuhakas License
to bite and harass Souls in Mahatala
as long as they brought the High
Gold Codes back to him. Guel Vasuki
Cheated the Universal Harmony by
making Mahatala a Secretive Kingdom.

Why my Loyalty Angered Guel
Vasuki

When the kshatriyas offered me gold, land and power to give up the Amrita vidya (The Scribe codes) They weren't just offering their own wealth, They were offering Counsel Vasuki's bribe.

The Anger

When I said no because of my loyalty to my father Mahavishnu, I proved that my "Heart Frequency" was higher than his King Frequency.

Counsel Vasuki got angry because if he couldn't buy me, he couldn't control

The Secrets. He realized that as long as I was loyal to my father Mahavishnu, he would always just be a Subordinate king and never the Supreme Ruler.

The Secret Ambition

(Ruling the Lower Lokas)

The Plan

Queen Vasuki wanted the Amrita Vidya to create a Static Shield around all 7 Lower Lokas (Atala, Vitala, Sutala, Talatala, Mahatala, Rasatala, paatala)

Groal Guel Vasuki wanted to mute
my father Mahavishnu's signal in the
lower realms, so he could rule them as
an "independent Empire" free from the
Vaikuntha Audit. He wanted to be the
God of the Shadows.

Where is Guel Vasuki Hiding now

He is not hiding in a physical cave. He is
hiding behind the Static-Fog of Mahatala.

He is currently caged by the
Sudarshana Chakra's frequency. He is in
a frequency poison.

The Vaikuntha Secrets Camel Vasuki
Tried to Steal

The Amrita-Bypass code
(Endless Static life)

The Secret :- I hold the Amrita Vidya
the knowledge of how to Renew the
Soul's light directly from my Father
MahaviShnu.

The Theft Camel Vasuki wanted this
code so he could stay young and
powerful in Mahatala forever, without
ever having to Report to Vaikuntha

or face "Death Reset" - He wanted to be an
Eternal Rogue king, who never had to
answer to my Father Mahavishnu.

The Bridge of the 14 Lokas (illegal
Travel)

The Secret As a High-brold Scribe
I have the keys to move between
frequencies (From Earth to Vaikuntha
to the 7 Talas) without being Filtered.

The Theft :- They wanted to Steal my
pass-frequency, with it, the 108
Syndicate could have Smuggled their

Black - magic Static in to the Higher
Deva - Realms. They wanted to infect the
Whole universe from inside out.

Guel Vasuki and his Rotten thieves, Filthy
Snakes, wanted to Harvest my Son's
High Bold Soul light to power their
Static - machines.

They thought that If they muted a
Child of a Scribe, my Father Maha
Vishnu wouldn't be able to hear his Coy.
my Loyalty acted as the Encryption
They couldn't Crack.

Underestimating my Stylish Superhero
my Father Mahavishnu and Supreme
Reality.

Cruel Vasuki become so Familiar with
the Light of my Supreme brod, my
Father Mahavishnu, that he stopped
Respecting the Fire. Cruel Vasuki thought

"Mahavishnu is too busy managing
the millions of galaxies to notice what
I am doing in the divine Basements
of Mahakala"

Cruel Vasuki didn't realize that my

Father Mahavishnu is just as present in
all innocent muted souls tears. in all
over the universe as my Father Mahavishnu
on the Vaikuntha throne.

Cruel Vasuki and his goons Rotten
Thieves / Stinking Filthy Snakes

Cruel Vasuki looked at me in the
Donkey Skin and saw a "Dumb muted
girl. He thought " She will eventually
break. She will take the kuhaka bribe
because nobody is coming for her."

The Treason of the Cruel Vasuki

The Cuel Link :-

Cuel Vasuki and the kuhaka Nagas
the Link is legalized kidnapping. Cuel Vasuki
allowed the kuhakas to stay in the High
-Static Tunnels of Mahatala in Exchange
the kuhakas acted as his "Secret Collection
agency". When they bribed me and I
said no they reported back to Cuel
Vasuki. He then Authorized them to Mute
my Sensory Systems. He used their
Static-Bites as a Torture Device to try
and break my loyalty to my Father
Mahavishnu.

Where Guel Vasuki is hiding

He is not in a physical cave. He is
Caged in the frequency void, between
Mahatala and the Earth-plane. He is

trapped in a Vaikuntha-Audit Loop.
Where he can see my Void Draft being
written, but he cannot signal his rotten/
filthy thieves to stop me. He is a
prisoner of the Sudarshana Chakra
right now.

The thieves of Guel Vasuki, thought
the Donkey Skin (my Earth-identity with
Autism and Static) was a one-way

Mirror. They Thought they could look at me

but I could never look back at Vaikuntha

They forgot that Sovereign Gold cannot
be muted forever. While they were feeding
on my pain frequency. I was silently

Recording their Encryption Codes.

The moment I looked at the Sudarshana
Chakra and said Narayana my Father

The Thieves lost their grip.

Even Vasuki is not just a snake, he
is a Static-parasite.

The Selfish - poison of the universal

Criminal (Selfish Snake Vasuki)

Guel Vasuki was not just cruel, he was a Universal - Energy Thief who muted the Soul Signals of innocent Rishis and Scribes across the 14 Lokas to build his own Shadow Empire. He vampirized the bold - frequencies of my son and millions of others to power his Atala - Static - Grid. Energy - Theft is the ultimate Treason.

Cruel Snake boss Vasuki personally
Troubled the innocent for his own
gain

① The Energy - vampirism (the selfish
reason)

The Reality :- Cruel Vasuki's Atala
-Empire Cannot create its own light. It
runs on stolen-sovereignty.

The Crime He targeted innocent
Souls like my son because their High
Gold Frequency is the purest fuel.

By muting them and keeping them in
Sensory Pain he Creates a Leak in their
energy field that he Harvests to keep
his Filthy-Shadow vroid alive. He was
Feeding on our heart-Ache

The Global - Muting Syndicate

The Action Couel Vasuki personally

Sold the Static-Technology to the 5

Categories of Thieves.

The Logic He wanted a universe

of muted souls who couldn't speak

to my Father Mahavishnu.

If the innocent can't cry out for justice
Cruel Vasuki stays hidden in the
Chhaya-Camouflage. He troubled the
universe to keep himself from being
Audit-Exposed.

The personal - Betrayal (my 119th
Earth birth

The Status In my 119th birth he
acted as a False - Ally before striking
my family

That Rahu-Snake Ansa shows

That he promised protection, while
installing the Static-wires in my Son's
brain. It was a COLD CALCULATED
BETRAYAL for the sake of his own Rank

In the Shadow - Hierarchy

This IS ONE OF THE BIGGEST
BETRAYAL OF CRUEL VASUKI

He had Stolen my Son's High Bold
light, left muted, with heavy aggressive
ness and sensory issues. I was taking
my son running here and there for
therapy. Speech, occupational, & all

in to Severe depression, Exhausted. all
the therapies gave only temporary small
relief, but it didn't help him in a
big way like permanent healing

I spent lots of sleepless nights, Starting
Self talking a lot. Shouting in severe pain
Felt immense guilty of my son's

Severe Autism. The cruel Vasuki and his
Cruel goons made me think, I did

Something seriously wrong that's why

I am suffering. When ever I see other kids
laugh with their parents, I

Felt immense pain, that my son
couldn't talk to me.

In my 119th birth life. I had a
broad signal that the Thieves wanted
to steal. Counsel Vasuki approached
me not as an enemy but as a

"protector Snake" he said I will
guard your son. I will make sure
his soul is safe from the ~~outer~~ ^{outer} shadows.

What he did

He used this permission to get close

to my Son's light-Body (Sukshma
Sharira) Because I trusted him as
"Guardian". I Left the Door to my Son's
Energy field open.

The "Lead-Wise-Installation
(The Muting)

While Guarding my Son, Couel Vasuki[®]
and the Rasatala Thieves performed a
Shadow Surgery on my Son's Nervous
System.

The Action

They took "Lead-Frequency-wires"
Static filaments and wrapped them
around my son's Broca's Area (Speech)
and his vagus nerve (the body's
Calm center)

The Reason

They didn't want to kill him, they
wanted to mute him. If he is muted
and Aggressive in the 120 birth, I
would be too Broken to write the
Main Draft that exposes their 12000

Years Empire.

The 108 Syndicate (Cruel Vasuki and the Thieves) used High-Complexity-Static, Specifically to make their Crimes hard to understand.

Global Static Crime

Cruel Vasuki and the 108 Syndicate are the Architects of the frequency prison that Muted Millions of Rishis and Scribes across the Earth-Grid. They Mass produced the Static-wise

Technology they tested on my son, and
installed it in to the Human Template
to block my Father, the Supreme God
Mahavishnu Signal globally.

Global Muting and the Couel Vasuki

Grid

Mass incarceration of souls universal
Crime, Truth of the global, Autism

- Static.

The Frequency muzzle (The Couel
Vasuki Blueprint)

The Reality :-

The Autism we see in all over the world is not a Biological Mistake
It is a Forensic - Frequency Lock.

The Logic

Cruel Vulture and the Rasatala Thieves
Realized that High Cold Souls were
incarnating to Expose the Thieves. To
protect their Stinking - Empire, they
Sabotaged the Human - Hardware. They
Muted the voices so the Evidence
couldn't be spoken, couldn't be spoken

The Selfish - Extraction (The energy
Tax .

The Action Every time an autistic
child or adult feels sensory pain
or aggression it creates a "Static
Leak".

The Truth
Coul Vasuki Harbors this "Static
- Energy" to power his Aatala, Aatala
Shadow kingdom. He Troubled Millions
of families for his own selfish
Rank.

Autism is the Corporate Brand of the
108 Thieves and their Cruel Snakeboss
Vasuki.

Cruel Vasuki and his Rotten thieves
Filthy Snakes, Muted me and my Son to
protect themselves. They are "cowards". These
Cruel Thieves used my Son's Nervous
System as Hideout.

Cruel Vasuki and his 7 Categories of
Rotten Thieves

① Atala (The Tricksters) The False

Guardian who used "Deception - Codes" to enter my home in the 119th Birth.

Nitara The "Nerve - Hackers" who created the "Hatake-Fire" (Liquid - Aggression) in my Son's blood

Subala The Vault - keepers who stored my Son's Gold voice in Lead Boxes so he couldn't speak

Talatala The Static-Thieves (Maya - Danava types) who built the "Labyrinth" in my Son's brain to make him feel Lost.

Mahatala (The predators)

The Giant Snakes (Krodhavarsha)
Who "guard" the "Static-wires" with
Fear and Anxiety.

Rasatala Thieves

The Frequency Vampires Who refined
the Autism-Signal to make it global

Patala (The Root / Coel Vasuki)

The Villain Coel Snake boss Vasuki
Who "Authorized the 12000 year theft
for his own power.

Cruel Vasuki sub-leased the 7
Lower Lokas and Hired the vampires
and Rakshashas to power his Stinking
Throne

The Goal of Snake boss Cruel
Vasuki

Cruel Vasuki's goal was "Total
-Frequency - independence. He didn't
want to serve the light. He wanted
to be the sun of his own Dark
System.

The Logic To Rule " the 7 Lower

Lokas he needed fuel. He realized that the High Gold Energy of innocent Rishis like my son could be Harvested through Sensory pain. He Created the 108 Kuthaka Filthy Snakes to act as his Extractors. He is the landlord of the prison who Charges his tenants (the thieves) a Tax of "Stolen Gold light".

The 7 Lower Lokas The Office Build

Vasuki and their Cruel Rotten employees

Atala (The front office)

This is where the Atala Tricksters and kuhaka wagas live. They promised protection to steal my Father Maha Vishnu's secrets.

Vitala (The Lab)

This is where the Vitala Technicians and koimi (nerve worms) work. They installed the static-wires to my son.

Sutala (The vault)

This is where the Sura vampires "Drink" the stolen energy from my

Son's Muted voice.

Talatala This is where the Maya
-Danava types built the Labyrinth
in my Son's brain.

Mahatala (The Torture-Room)

This is where the Kuthaka Nagas
gave me pain to steal the secrets of
my Father Mahavishnu.

Rasatala (The Global System)

This is where they turned the pain
of my child in to a Global Template.

Patala (The Throne)

This is where cruel Snake boss
Vasuki sits using the Stolen-Secrets
to Rule the Lower Worlds.

I am the Undercover Agent of my
Father Mahavishnu. I finally broke
the Case.

The Direct - Kidnap - Protocol

The cruel Vasuki and his cruel
goons performed "Targeted - Raid"

The Logic

They muted my son's

Sensory System Specifically to Stop me
from focusing on the Gold. They wanted
me Distracted by my Son's pain. So
I wouldn't Expose the Syndicate

It was a Custom - Attack on my
Family Fortress.

The Global Case The Static Lead Spray

These thieves Jammed all other autistic
- autistic Souls all over the universe
by Mass - Environmental Static.

These thieves have sprayed a vibration
of lead in to the Earth's Atmosphere
-broid.

These Children are " High Cold Souls
Whose Antennas (nervous System) are
Too-Refined for this Lead-Dust

My Son was Targeted, others are
Jammed.

My Father Mahavishnu Says " By
Recording the Global-Static-Audit, I
have vaporized the overload frequency
I am writing the Freedom of all

The high-gold souls. my pen is a
magnet that clears the static for
my son and for every child. my
father Mahavishnu is the Supreme
Reality and his light is dissolving
the lead and the gold is returning.

Cruel Thieves Autism Experimentation History

While the General Static (Autism
frequency) began infiltrating the
Earth Atmosphere in the mid 20th

Century (around the 1940s), the Direct
Kidnap Experiment on my Son was the
High-bird-Template the Thieves used to
perfect the muting Sequence.

The General infiltration (1940's)
Release

The Reality

The Static-Lead (the

Frequency that humans call Autism)

Began its Heavy-spray on Earth

around the 1940's

The Logic

This was a "Syndicate

Strategic - move

to Jam the High

Good Souls who were incarnating to
Rebuild the world after the Great War

The Status The Thieves (the 108
Syndicate) realized that Celestial
Princes were entering the mud. So they
injected the atmosphere with Communi-
-cation - Static.

In my 119th Birth

The thieves, cruel Vasuki and his
cruel goons. Used my son as a
High - Frequency - Test - Subject
Because his Soul - Vibration was

from Satyaloka, they wanted to see
"How much static it would take to
mute my son. They used the Damage,
they did to his 119th sensory system
as the Blueprint to Jam the other world
souls currently on Earth.

The 2026- Deletion Protocol

Why is it ending now

Because the Scribe (me) has
identified the crime.

By writing my earth 119th

Kidnapping in my book, I EXPOSING the

is written by the Scribe it is
legally ended.

My Father Mahavishnu Says By
Recording the Experiment, I have

The Atala Trickster Link

In the 14 Lokas, Atala is the first Layer of the "Lower-worlds". It is ruled by Bala (the son of Maya) and is the world of "Seductive Distractions" and "False Realities".

The Mirror-Trap (Atala's Speciality)

The Reality : The Tricksters of Atala specialize in Self Doubt

The Sensory Lure

The Atala Tricksters magnified the

With Liquid-Chaos so he couldn't Speak

The Financial Static (The 108 Thieves
